

Fall 2018 SB 1359 Implementation Survey Questions

Introduction

Greetings!

You have received this message because your local academic senate president identified you as the college's OER lead. Your time is greatly appreciated – thank you in advance for your time.

In order to establish an estimate of the extent of the use of open educational resources (OER) in lieu of commercial texts at our colleges at this point in time, the ASCCC OER Task Force is gathering information from the colleges regarding the implementation of Senate Bill 1359 (SB 1359) that requires the colleges to:

Clearly highlight, by means that may include a symbol or logo in a conspicuous place on the online campus course schedule, the courses that exclusively use digital course materials that are free of charge to students and may have a low-cost option for print versions.

Your prompt reply is most appreciated. Please note that these data are being collected for the purpose of tracking OER use, not the response to SB 1359. All responses will remain confidential. Please access this short survey at the link below...
