

## Library Resources: E-book Options to Support the Establishment of Zero Textbook Cost (ZTC) Course Sections

This form was established to facilitate the sharing of library resources that could be used to achieve ZTC section status. If you have any questions about this form, [please contact the OERI](#) ([oeri@asccc.org](mailto:oeri@asccc.org)). This form has been set such that submitters are able to edit their responses. Please be sure to update your entries as needed. If an entry should be removed after a specified period of time, please note that in your response to the final "Notes" question. Your contact information will not be shared.

Please consider reviewing [available open educational resources \(OER\)](#) prior to opting to purchase a library resource.

Do you have the requested information in a downloadable format? Upload your file and skip any duplicative questions
